## ● How to use Washing Machines

1. Open the lid and put your clothes into the machine.
2. Close the lid and push buttons to select the course.

・よごれ (degree of dirt) → ふつう (normal)  
・コース (course) → 一般衣類 (cloths)  
・水温 (water temperature) → お湯 (hot water) or ぬるま湯 (warm water) or 水 (cold water)

3. Prepare 100 yen coins and put in the exact amount of money.
4. Push “スタート” button to start.

## ● How to use Dryers

1. Open the lid and put dewatered clothes into the machine.
2. Close the lid and push buttons to select the temperature.

高温 (high temperature)    中温 (medium temperature)    低温 (low temperature)  
室温 (room temperature)    微温 (gentle heat)

3. Prepare 100 yen coins and put in the exact amount of money.
4. Push “スタート” button to start. Average time to dry cloths is  
20-40 minutes. Add 100 yen coins if you want to use more.
